

If you're spiritually alive, you're going to love this!

If you're spiritually dead, you won't want to read it.

If you're spiritually curious, there is still hope!

A Church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday.

He wrote: "I've gone for 30 years now, and in that time, I have heard something like 3,000 sermons, but for the life of me, I can't remember a single one of them. So, I think I'm wasting my time, the preachers and priests are wasting theirs by giving sermons at all".

This started a real controversy in the "Letters to the Editor" column.

Much to the delight of the editor, it went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals.

But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today.

Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

When you are DOWN to nothing, God is UP to something!

Faith sees the invisible, believes the incredible & receives the impossible!

Thank God for our physical and our spiritual nourishment!

IF YOU CANNOT SEE GOD IN ALL, YOU CANNOT SEE GOD AT ALL!
